

## Child Care Operating Funding - Base Funding

Child Care Operating Funding (CCOF) Base Funding assists eligible licensed family and group child care providers with the day-to-day costs of running a facility.

### Eligibility

#### Requirements

[Apply or Renew](#)

### Rates

Providers can estimate their monthly CCOF Base Funding payment by multiplying the applicable rate for their licence and service type by the number of enrolled children reported on their Monthly Enrolment Report.

#### Group Child Care Rates

Rates for providers with a Group or Multi-Age Licence for more than eight children, or if the facility is in a location other than the licensee's personal residence.

| Rate category (per enrolment) | 4 hours or less | More than 4 hours |
|-------------------------------|-----------------|-------------------|
| Under 36 months (3 years)     | \$6.00          | \$12.00           |
| 3 years to Kindergarten       | \$2.74          | \$5.48            |
| Grade 1 to 12 years           | \$1.40          | \$2.80            |
| Preschool                     | \$1.37          | \$1.37            |
